- Undiagnosed Red Eye
- Non Active Retinal Abnormalities
- Iritis
- Conjunctivitis (not responding to treatment)
- Concretions
- Naevi
- Loss of Vision (inc. transient loss but not sudden loss)
- Mild Atopic Keratoconjunctivitis
- In Growing Eyelashes
- Posterior Vitreous Detachment – flashes and floaters
- Blepharitis
- Pingueculae and Pterygium (only symptomatic or troublesome)
- Minor Surgery:
 - Periorbital cysts and skin tags
 - Conjunctival Cysts
 - Punctoplasty – Three Snip Procedure
 - Chalazion

Who can refer to Wirral Vision?

Opticians, GPs and other health professionals, via our referral form.

You can email us at WICCG.wirralvision@nhs.net or call us on **0151 630 8114** to request a copy of our referral form.

How long is the waiting list?

All referrals are screened within 1 working day and patients are offered an appointment within 2 working days should their referral be appropriate for the service. Urgent referrals are seen within 1-14 days and routine within 1-6 weeks.

If you have any questions, queries or need advice, please do not hesitate to contact our friendly team.

What people are saying about us...

“ Wirral Vision gives me clear and concise information about my condition which gives me confidence. I am always seen promptly and receive amazing care from the whole team. Steph is A1. ”

Mrs Protheroe, West Kirby

“ Wirral Vision is excellently efficient. I have been advising people to come to you for years. I am sincerely grateful. ”

Mr Platt, Wallasey

- The service is delivered and managed by consultant Ophthalmologists.
- There are 5 - 7 clinics per week including Saturdays.
- We are able see Ophthalmic emergencies the same day and, on average, within 24-48hrs. Urgent referrals are seen within 1-14 days, routine referrals are seen 1-6 weeks
- Average waiting time for an appointment is 4-6 weeks, there are no delays once an appointment is fixed.
